INVITATION

Dear Colleagues,

The summer session of the XIII International Congress "**MACHINES. TECHNOLOGIES. MATERIALS - INNOVATIONS FROM SCIENCE TO INDUSTRY**" will be held from 14th to 17th September, 2016 in the resort "St. St. Konstantin and Elena", region Varna, as a comprehensive scientific-technical event, which includes three main topics. The Congress program includes also five special congress sub-sections which were held separately till now.

We invite the scientists and the researchers to present the results of their research works before the academic society and the industry representatives and to publish them in the international scientific magazines, issued by the Scientific-Technical Union of Mechanical Engineering.

We invite companies with presentations at the congress sessions and advertising materials to present their available on the market machines, equipment, technologies, materials and services.

We hope the Congress **MTM'16** will play a leading role as an innovation mediator between the scientific research and industry and we offer you to take advantage of this opportunity.
