INVITATION

Dear Colleagues,

The Eleventh International Congress "**MACHINES, TECHNOLOGIES, MATERIALS - INNOVATIONS FOR THE INDUSTRY**" will be held from 17th to 20st September, 2014 in the resort "St. St. Konstantin and Elena", region Varna, as a comprehensive scientific-technical event, which includes three main topics. The Congress program includes also five special congress sub-sections which were held separately till now.

We invite scientists and researchers to present the results of their investigations to the colleagues and industry representatives and to publish them in the web-based International Scientific-Technical Journal "[MACHINES, TECHNOLOGIES, MATERIALS](#)", which is issued in printed form and CD as well.

We invite companies with presentations at the congress sessions and advertising materials to present their available on the market machines, equipment, technologies, materials and services.

We hope the Congress **MTM'14** will play a leading role as an innovation mediator between the scientific research and industry and we offer you to take advantage of this opportunity.

The weekend program after the **MTM'14** opening will give you a chance for rest, entertainment and learning more about the cultural, historical and natural attractions of the northern coast of Black Sea.
